FIRE DEPARTMENT

The progress made in the **Fire Department** of the Company has been very marked, and is the result of the promptitude with which Claims for loss or damage by Fire have always been met.

The utmost Security is afforded to Insurers by the ample capital and large Reserve Fund, in addition to the annual Income from Premiums.

Insurances are granted at Moderate Rates upon almost every description of Property.

Seven Years' Policies are issued at a charge for Six Years only.

Rents Insured at the same rate of Premium as that charged for Buildings, but must have a separate Sum placed thereon.

Household Insurances.—As it is sometimes inconvenient to specify in detail the contents of dwelling-houses, and to value them separately for Insurance, the "Lancashire" grants Policies at an annual premium of 2s per cent., covering "Household Goods and Property of every description" in one sum.

Agricultural Produce, Farming Stock (Live Stock excepted), Implements and Utensils of Husbandry, subject to condition of average, 10s per cent. Live Stock separately Insured without average at 3s per cent. Use of Steam Thrashing Machine allowed without extra charge. Animals killed by Lightning are paid for by this Company if Insured against Fire.

Distilleries, Woolen Mills, Warehouses, Ships in Docks, and all Mercantile Property Insured on favourable terms.

Short-period Policies are granted, and Policy and Stamp Duties paid by the Company.

Policies of other Companies Transferred free of expense.

LIFE DEPARTMENT

Indisputable World-wide Policies. No Restrictions. Moderate Rates. Interim Bonuses. Payment of Claims on proof of Death and Title. Two Independent Valuations of Life Liabilities. Quotations of Life Rates to meet Special Contingencies. Immediate provision for payment of Death Duties.

GREAT NORTH OF SCOTLAND RAILWAY.

The Royal Route to the North of Scotland

Is via ABERDEEN and the GREAT NORTH OF SCOTLAND RAILWAY. This route serves Ballater—for Balmoral and Braemar—Peterhead, Fraserburgh, Inverurie, Turriff, Banff, Macduff, Huntly, Keith, Dufftown, Craigellachie, Buckie, Elgin, Forres, Nairn, Inverness, Dingwall, Strathpeffer, Kyle of Lochalsh—for Skye and the Western Isles—Wick, Thurso, and all places in the North of Scotland.

EXPRESS TRAINS, equipped with First and Third Class Corridor Carriages, with Lavatory Accommodation and Lighted by Electricity, run from and to Aberdeen in direct connection with the West Coast and East Coast Companies' Fast Trains to and from London and all parts of England and Scotland.

THROUGH CARRIAGES are run between ABERDEEN and INVERNESS by all Trains, and conductors in uniform travel with the through carriages *via* Elgin.

Passengers are requested to ask for Tickets routed via Aberdeen.

ALTERNATIVE ROUTES.

Passengers from all through Booking Stations in England and from through Booking Stations in Scotland south of Perth or Dundee, to Forres, Nairn, Inverness, Strathpeffer, Wick Thurso, and other stations on the Highland Railway, may on request at the time of booking have Tourist or Ordinary Return Tickets made available to travel *via* Aberdeen on the outward journey and *via* Dunkeld on the return journey; or the Tickets may be made out to go *via* Dunkeld and return *via* Aberdeen. In travelling *via* Aberdeen passengers have the choice in either direction of four routes on the Great North of Scotland Railway:—

- (1) By the Moray Firth Coast Line, *via* Grange and Buckie.
- (2) *Via* Keith Town and Craigellachie.
- (3) *Via* Keith Junction and Mulben.
- (4) *Via* Turriff to Banffbridge or Macduff, resuming the journey from Banff Harbour Station and travelling by the Moray Firth Coast Line *via* Buckie. There is no railway connection between Banffbridge or Macduff and Banff Harbour Station, a distance of about a mile.

SCENERY.

The Great North of Scotland Railway passes through some of the finest scenery in Scotland. The variety is most pleasing. At one part the Tourist traverses some of the finest agricultural districts in Scotland, with beautiful sylvan and river scenery; at the next he is surrounded by high imposing hills, rising here and there to mountains; while, if he has an eye for coast scenery, nothing could be finer than the prospect from the Coast Line, which skirts the southern shore of the beautiful Moray Firth. The famous Deeside Line, which runs along the picturesque valley of the Dee, carries one through the grandest mountain scenery in the Kingdom. BALMORAL, the Queen's Highland Home, where the Court is in residence for four months each year, is within nine miles of Ballater, the terminus of the Deeside Railway. Coaches run daily during Summer between Ballater and Braemar *via* Balmoral through magnificent Highland scenery.

GOLF.

There are large and excellent Golf Courses at all the important places on the Railway. A full list may be obtained on application.

Hawkhill Marine Hotel

ROSEMARKIE, ROSS-SHIRE.

THIS new Hotel, three quarters of a-mile from FORTROSE STATION, was originally the MANSION HOUSE of HAWKHILL, a finely finished building in the Italian style, to which has just been added an extensive range of Bedrooms and Sitting Rooms, while the House itself has been altered internally to meet the public requirements of a first-class Family Hotel. Situated on one of the finest parts of the Northern shore of the Moray Firth, immediately opposite Fort-George, and with a full southern aspect, it presents a landscape unequalled in the North, and the facilities for Sea Bathing are unique. The district is one of the acknowledged health resorts of Scotland. In the immediate neighbourhood are the romantic glades of Fairy Glen and St Helena, and to the east, along the sea shore, are the rugged water-worn cliffs of Old Red Sandstone and the famous Eathie Burn, so ably described by Hugh Miller, whose birthplace is within twelve miles of the Hotel. A few hundred yards distant is the far-famed and historic Peninsula of Chanonry, on which is laid out a magnificent **Golf Course**, while the ancient Burgh of Fortrose, with the ruins of the noble Cathedral, are but three quarters of a-mile away. Grand views of vastly different character are to be got from the Hill of Fortrose in rear of the Hotel, and the surrounding country abounds in pleasant walking and driving routes, while the Firth, on which there are annual Regattas, presents every facility for Boating, Sailing and Fishing.

The Hotel is provided with **Dining Saloon, Drawing-Room, Billiard-Room, and Thirty Bedrooms**, with numerous **Private Sitting Rooms**.

Every care has been taken to make the Sanitary and Heating arrangements perfect. **Hot and Cold Sea Water Baths** are provided for the use of Visitors.

The Grounds are laid out with **Bowling Greens and Lawn Tennis Courts**.

The Tariffs are arranged on very Moderate Terms, and Families will be specially dealt with. The Establishment will be under the personal management of

DONALD CAMERON,

Proprietor.

COPY OF ANALYSIS.

"LABORATORY 'AVALON,'
"PUTNEY COMMON, LONDON, S.W.,
"February 15th 1899.

"DEAR SIRS,

"This is to certify that I have subjected to Chemical Analysis samples of the following Aerated Waters and Beverages, viz.:— 'Double Soda Water,' 'Potass Water,' 'Unfermented Ginger Beer,' 'Champagne Nectar,' 'Double Lemonade,' 'Aromatic Ginger Ale,' 'Kola Champagne,' and 'Royal Seltzer Water,' all manufactured by you, and have also chemically investigated the Water and other raw materials used in their preparation. I have submitted to you an exhaustive Report setting forth the details of my examinations, and I have pleasure in stating the following opinion, which is based upon the results of my work:—The Water employed by you is of high organic purity, and especially well suited to the Manufacture of Aerated Beverages. The other raw materials are of the very best quality. That you exercise the greatest care in your Factory, employing thoroughly efficient plant, and working under hygienic conditions, is clear from the facts which is set forth in my General Report.

"There is no metallic or organic contamination at any stage of the Manufacture: your products are pure, wholesome and well-made.

"I have rarely examined any Beverages which are so excellent in every respect, and never any better, for in my Laboratory Records are classified some thousands of samples from every part of the United Kingdom and Colonies.

"Yours faithfully,

"J. T. NORMAN, F.C.S."

TEA

**QUEEN'S GATE,
INVERNESS.**

GILLANDERS' TEAS have already made a name for themselves over the North of Scotland, *not by extravagant and untrue statements*, but by being what they are represented, viz., Honest Value, and Value which he challenges any firm to beat.

And following up the motto, "The Highlands for the Highlanders," K. A. GILLANDERS hopes soon to see the day when there will not be a family in the North of Scotland who will think of sending their orders for the refreshing beverage further South than the Capital of the Highlands, and towards accomplishing this object he invites you to send or call for samples of his

1/6 and 2/- TEAS

and is confident that all giving them a fair trial will be convinced of their merits.

All that is stipulated for is "Fair field and no favour."

His Teas are guaranteed to be always regular and equal to sample, and if any party thinks a parcel of Tea is not up to their expectations, the Tea will be received back, postage paid both ways, and the money refunded.

Orders from 5 lbs. up to 10 lbs. will be delivered post free, so that for **7/6** you will receive **5 lbs.** of a really splendid Tea; and for **10/-**, **5 lbs.** of as Choice a Tea as the highest in the land could desire. Larger parcels will be sent, carriage paid, to nearest station or pier.

Funds £4,000,000
Claims Paid £6,000,000

President—Right Hon. LORD KELVIN, D.C.L., LL.D., F.R.S.

LARGE COMPOUND BONUSES.—All the Profits belong to the Policyholders, and the amount distributed has been so large that the sums assured by the earlier Policies are now more than doubled. EXAMPLE: A Policy for £2000, effected in 1845, now amounts to £4425 3s 1d, and continues to receive further additions.

LOW PREMIUMS.—Special attention is directed to the “**Minimum**” Premiums of the Society. These rates are deservedly popular, being less than usual non-profit rates, thereby admitting of a large assurance at a very low premium—e.g., the yearly premium payable for life, age 30, for an ordinary “With-Profit-Policy” for £1000 will assure £1326 under this class.
